Niagara Home Builders' Association Scholarship Program

RECOGNIZED PROGRAM-DEGREE/DIPLOMA

Courses offered by Canadian Universities and Ontario Community Colleges will be given primary consideration. Should there be no candidates in the programs mentioned above, consideration may be extended to other courses at various recognized institutions provided that the intent of the scholarship program is met.

ELIGIBILITY

The scholarship will be awarded to sons, daughters or legal wards of owners, partners and employees (full-time salaried or hourly) of Niagara Home Builder's Association Members. The member company must be in good standing. The company must sponsor the candidate(s) and the application(s) must be endorsed by the Company President or an authorized representative. More than one candidate may be sponsored by a member company each year. Each candidate must be a Canadian citizen who has, or will, successfully complete the requirement to qualify for post-secondary education. This award will be given as a one-time eligibility per candidate.

BASIS OF SELECTION

OPTION 1 - The scholarship will be awarded to full-time and/or part-time students graduating from high school and enrolling in a course leading to a University degree or Community College diploma. The award will be based on academic achievement – achieving a minimum of 75% average on six Grade 12 subjects, a recommendation from the school principal, proof of acceptance to University or College, a cover letter and resume outlining skills and experience, extra-curricular activities or community activities, and employment history, the completed application, and any other supporting materials.

OPTION 2 - The scholarship will be awarded to full-time and/or part-time students already enrolled in post-secondary program leading to a University degree or Community College diploma. This award will be based on proof of enrollment in a University or College, resume demonstrating skills, experience and employment history, a cover letter demonstrating involvement in extra-curricular activities or community activities, the completed application, and any other supporting materials.

FOR OPTION 1 AND OPTION 2 — Describe how your program may relate to the construction industry.

ADMINISTRATION/FINANCIAL COMMITMENT

The Scholarship Committee is composed of three or more appointed individuals from the NHBA membership. It is the committee's responsibility to administer the program, evaluate the candidates, award the scholarships, and meet all requirements set by the NHBA Board. The number and amounts of such yearly awards may vary annually depending upon the ability of the funds to support the program. The committee will consider all the criteria listed above in determining the recipients.

REVISIONS/TERMINATIONS

The program may be revised in any year if; in the committee's judgment, special conditions prevail that would better serve the objectives of the program. The program may be terminated by the Board of Directors with notice to the membership and the fulfillment of all outstanding commitments.
