## Niagara Home Builders' Association Scholarship Program

### RECOGNIZED PROGRAM-DEGREE/DIPLOMA

Courses offered by Canadian Universities and Ontario Community Colleges will be given primary consideration. Should there be no candidates in the programs mentioned above, consideration may be extended to other courses at various recognized institutions provided that the intent of the scholarship program is met.

### ELIGIBILITY

The scholarship will be awarded to sons, daughters or legal wards of owners, partners and employees (full-time salaried or hourly) of Niagara Home Builder's Association Members. The member company must be in good standing. The company must sponsor the candidate(s) and the application(s) must be endorsed by the Company President or an authorized representative. More than one candidate may be sponsored by a member company each year. Each candidate must be a Canadian citizen who has, or will, successfully complete the requirement to qualify for post-secondary education. This award will be given as a one-time eligibility per candidate.

### BASIS OF SELECTION

*OPTION 1* - The scholarship will be awarded to full-time students graduating from high school and enrolling in a course leading to a University degree or Community College diploma which is directly related to the skilled trades sector. The award will be based on academic achievement – achieving a minimum of 75% average on six Grade 12 subjects, a recommendation from the school principal, proof of acceptance to University or College, a cover letter and resume outlining skills and experience, extra-curricular activities or community activities, and employment history, the completed application, and any other supporting materials.

*OPTION 2* - The scholarship will be awarded to full-time students currently enrolled in a University or Community College leading to a degree, diploma or certification directly related to the skilled trades sector. The award will be based on academic achievement – achieving a minimum of 75% average a letter of reference from a professor of the educational institution in which you are enrolled, a cover letter and resume outlining skills and experience, extra-curricular activities or community activities, and employment history, the completed application, and any other supporting materials.

*FOR OPTION 1 AND OPTION 2* — Please include how your program is related to the construction industry and what career you hope to achieve within the skilled trades upon completion.

### **ADMINISTRATION/FINANCIAL COMMITMENT**

The Scholarship Committee is composed of three or more appointed individuals from the NHBA membership. It is the committee's responsibility to administer the program, evaluate the candidates, award the scholarships, and meet all requirements set by the NHBA Board. The number and amounts of such yearly awards may vary annually depending upon the ability of the funds to support the program. The committee will consider all the criteria listed above in determining the recipients.

### **REVISIONS/TERMINATIONS**

The program may be revised in any year if; in the committee's judgment, special conditions prevail that would better serve the objectives of the program. The program may be terminated by the Board of Directors with notice to the membership and the fulfillment of all outstanding commitments.
